Thorpe Wood House,  
Peterborough  
PE27 4SD

Dear Sir/Madam,

**Alliance and Special Projects 2014 Stand Down Days and Health and Safety Customer Experience Stand down**

We would like to invite you, your senior team and your workforce that hold an Anglian Water Alliance and Special Projects Safety passport to the above event. These will be run on the 23, 24 & 25th September 2014 at the Arena, Peterborough Showground PE2 6XE. Doors open at 8.00 with Breakfast roll; Presentation start 9.00 close 17.30pm.

Our programme throughout the three days is repeated to give everyone the opportunity to attend.

The health and safety of all people working with us is extremely important. This event offers all attendees an excellent opportunity to refresh and improve their health and safety awareness. As a supplier to the Alliance your attendance is therefore required on one of the three available dates above.

As part of the stand down day we will be explaining four safety focal points we want all our potential AMP6 suppliers to support;

- 2014 SDD attendance as the above invitation
- Awareness of the increased risk in the winter 2014
- IFE programme
- AMP6 induction

Please would you confirm your representative's name and acceptance to Megan Smith or Kelly Badcock, 1 Maskew Avenue, Peterborough PE1 2AQ . [kelly.badcock@barhale.co.uk](mailto:kelly.badcock@barhale.co.uk) 01733 421600

Yours faithfully,

Chris Candlish

**Alliance Supply Chain Manager**
